

THE ONES WHO FINISH THE TASK ARE ALREADY THERE.

ENDS is where we are going — the ends of the earth, Acts 1:8. **It is also how we intend to get there:**

Equipping Nationals, Discipling Shepherds. There are believers inside the hardest places on earth who will never need a visa, a support letter, or an exit plan. They need training, and someone to stand behind them.

WHAT OUR NAME MEANS

E EQUIPPING 24 months, 17 modules, in his own language — assessed on what he can demonstrate, not recite.	N NATIONALS He is already there, already trusted. No visa, no support letter, no exit plan.	D DISCIPLING A mentor who knows his name and his household. Character examined before content added.	S SHEPHERDS Men who feed a flock they know by name — then plant churches further out.

THE PROBLEM

Sending a Western family to a restricted country costs a great deal, takes years of language and culture before ministry begins, and can end with one visa refusal — and in many of these places a foreigner cannot stay at all. Meanwhile a national pastor is already fluent, already trusted, already among the people he is called to reach, and very often has no training and nobody standing behind him.

HOW WE VET, AND HOW YOU CAN CHECK

Every applicant answers a nine-section application — his testimony, his call, his doctrine, his household, his ministry, his references — and we contact those references and his church. The full standard is published at endsinitiative.org/vetting. We would rather you saw the work than took our word for it. Vision trips run for Thailand and are earlier for India, Pakistan and Africa; every trip gates on a partner invitation and a safety review.

WHAT SUPPORT LOOKS LIKE

\$35 COME ALONGSIDE A share in the training and support of a pastor, alongside others.	\$250 FULLY SUPPORT A PASTOR Carries one national pastor — his training, and support for his ministry.	\$500 FULLY SUPPORT A HOUSEHOLD A pastor, a student, or an evangelist — and the family standing behind him.

WHERE WE ARE BEING PLAIN WITH YOU

- **Our 501(c)(3) is pending.** Until that status is granted we do not represent any gift as tax-deductible, and we say so on every giving page.
- **Our board is still forming.** Financial oversight and formal accountability structures are being established now. We publish that on our About page rather than wait to be asked.
- **Giving is not switched on yet.** We are not taking recurring gifts until our finance and legal counsel say go. If you want to stand with us, the right first step is a conversation.
- **We do not name pastors in restricted places** — no photographs, no locations. If that makes our materials thinner than another organisation's, we accept the trade.
